John described a park with a lovely lake. He said ducks and swans played on the water while children sailed their model boats. Young lovers walked arm in arm among flowers of every color, and a fine view of the city could be seen in the distance. [い]

Days and weeks passed.

One morning, a day nurse arrived to bring water for their baths only to discover that John had died quietly *in his sleep. John's body was taken away by the hospital staff. (B) he could, Frank asked if he could be moved next to the window. The nurse (2)made the switch, and after making sure he was comfortable, she left him alone. [う]
